Cancellation fees may also apply to any additional services, including extra night accommodations, ndependently supplied services, and optional excursions reserved prior to, during, and after the tour. If flight changes, including but not limited to flight cancellations or name changes, are requested after full land and air deposits are received, revision fees, change fees, or airline cancellation fees will apply (see “Revision Fees” below). In many instances, airline revision or change fees can be up to \$250 but in some instances may be up to 100% of the ticket price. Cancellation penalties will be quoted at time of cancellation.

Globus reserves the right to cancel or reschedule any vacation departure for any reason, including insufficient demand. If a vacation is canceled prior to departure, Globus’ only responsibility will be to refund the amount received for the reservation. Globus will try to rebook the same vacation with a different departure date, or a similar vacation. For air-inclusive vacations, Globus will try to confirm air schedules for the selected new dates, subject to availability. Globus cannot assume responsibility for any additional costs or any fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through Globus.

**Revision Fees:** A fee of \$30 per transaction will be charged for any alteration or revision made to a reservation. Any revision to a booking may result in the loss of confirmed airline reservations or increased airfare which will be payable by you. Additional airline and hotel penalties may also apply and may be up to 100% of the full price. A change of traveler name, vacation date, or itinerary within final payment will be treated as a full cancellation and new reservation; vacation cancellation fees (as above) apply.

**Air Arrangements:** Globus is not responsible if an airline cancels, reschedules, or delays a flight for any reason. If you purchased air through Globus, we will try and assist in making new arrangements providing you have not already checked in with your airline for your first flight segment. After check-in, you must work with the airline directly to reach your destination or to make any alternate arrangements including amendments to return services. Please be aware airline fees often apply for modifications to air schedules not related to airline imposed flight cancellations, reschedules or delays. These fees will be payable to the airline directly at time of request. If you miss your departure flight or connection, it is your responsibility to work with the airline on which you are ticketed to reach your destination. No refunds will be provided by Globus for portions of trips missed due to canceled, rescheduled or delayed flights after airport check-in, nor is Globus responsible for any additional expenses you may incur prior to joining your trip if you miss your departure flight or flight connection.

For air purchased through Globus, if any air schedule requires an overnight stay in a gateway city, Globus can assist you with hotel reservations; however, the cost of the overnight stay (including but not limited to hotel and meals) is your expense. Air routings are subject to availability. Routings are not guaranteed and are subject to change at any time.

If you make your own flight arrangements, Globus will not be responsible for any loss resulting from cancellation or changes in international gateways, itineraries or travel dates. We recommend that you do not purchase airline tickets with high penalty charges for changes.

Under the new Secure Flight Program enacted by the U.S. Department of Homeland Security, the Transportation Security Administration (TSA) requires airlines to collect information from you for the purposes of watch list matching. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. At time of booking a vacation with air reservations, Globus will collect the required information and add to your air booking to pass to the airline(s) for the Secure Flight Program. The information includes full name, date of birth, gender and redress number (if available). Failure to provide the required TSA information at time of booking will result in the loss of confirmed flights and airfare price as information is required for ticketing. Rebooking lost airfare is subject to schedule availability at time of rebooking and may result in alternate flight schedules and/or increases in airfare price. Any increase in airfare price is payable by you.

**Participation:** For the benefit of everyone on your vacation, Globus reserves the right to accept or reject any vacation participant and to remove any participant whose conduct is deemed incompatible with the interests of the other participants. Globus will not refund or cover any cost or expenses incurred for termination of vacation arrangements due to unacceptable behavior.

**Travelers Who Need Special Assistance on Tours and/or Cruises:** You must report any disability requiring special attention while on tour or on cruise to Globus at the time the reservation is made. Globus will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor responsible for any denial of services by air carriers, hotels, restaurants, or other independent suppliers. Globus cannot provide individual assistance to a vacation participant for walking, dining, getting on and off motorcoaches, cruise ships and other vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their well being. All travelers with Globus are subject to the Participation clause above.

Not all sightseeing stops/sites accommodate wheelchairs and some locations and sightseeing activities require extensive standing, sitting or walking. Globus is not responsible for any missed activities due to a participant's inability to participate with the group. The Americans with Disabilities Act is only applicable within the United States and facilities for disabled individuals are limited outside its borders. Most transportation services, including the touring motorcoaches and cruise ships, are not equipped with wheelchair ramps. Motorized scooters are not typically suitable on international tours.

Although some of our ships have elevators, many of our small ships (e.g., river cruise vessels) do not. Passengers requiring ship elevators should inquire before making reservations. Additionally, most stateroom doors and restrooms are not wide enough to allow access by standard wheelchairs, and bathrooms and other doorways may be fitted with coamings. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the ship is at anchor.

**Young Travelers:** Travelers who are under 18 years old on the departure date must be accompanied by an adult throughout the vacation and must share an adult's accommodation. Children under 8 years of age are not allowed on Globus vacations. For any special requirements regarding airline tickets for children, contact your airline directly.

The following young traveler discounts apply to Globus vacations. To receive the young traveler's discount, the age of the traveler must qualify at commencement of services.

On Globus escorted vacations, young travelers ages 8-17 receive a 10% discount on the base land vacation price. There is no discount for young travelers on vacations that include a Galápagos cruise.

Due to heightened security, many countries have adopted practices to prevent international abductions of children. If a child will be traveling with adults other than the parents or with only one parent, it is recommended that a notarized letter be written by the parents or non-traveling parent granting authorization to travel, including the dates of travel. We suggest that you also contact the appropriate consulate and airlines because they may have additional requirements or recommendations.

**Smoking:** Smoking is not allowed on transportation that is exclusively provided by Globus. On cruise ships, smoking is restricted to certain areas of the vessel. On European river cruise ships, smoking is allowed only on the vessels' outside decks where ashtrays are available.

**Price Policy:** All vacation prices are based on rates (reflecting foreign exchange rates) known at the time of publication and expected to be in effect at the time of departure, and do not include airfare except where noted. Vacation prices are per person, based on double occupancy. Single room supplements and triple reductions or pricing are listed where applicable. Not all accommodation types are available on all vacations. Prices are subject to increase without notice, subject to the guarantees set forth below.

Once Globus has received your full deposit for any vacation that land vacation price is guaranteed and you are protected against any land price increase due to currency surcharge. Any subsequent cost increases are at Globus' expense, not including energy cost increases and/or any government tax increases.

Air-inclusive vacations, and/or land-only vacations that include air between cities (internal air) are guaranteed when Globus has received your full land and air deposits. Globus reserves the right to ticket bookings upon receipt of full land and air deposits thus any subsequent changes made at your request are subject to airline-imposed change fees and/or changes in airfare price, which are your responsibility to pay. Air is only available to passengers traveling from the United States and only available when booked in conjunction with a land vacation.

**Visas & Passports:** You are responsible for obtaining and paying for all visas and entry documents, for meeting all health and other requirements, and for any documents required by the laws, regulations, orders, and/or requirements of the countries you will visit. Non-U.S. citizens must consult with appropriate consulates to determine if any visas are needed; you are responsible for obtaining all visas and entry documents independently. Globus is not responsible for providing you with specific visa and passport information or documentation, and Globus cannot accept liability for any passenger refused entry onto any transport or into any country due to failure of the passenger to carry correct documentation. All passengers traveling internationally are required to have a passport. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. It is recommended you have a minimum of three blank pages in your passport when traveling, as many countries require blank pages. Multiple-entry visas are required for some vacations. It is your responsibility to verify all visa and passport requirements. The process of obtaining a visa and/or passport can take up to three months or more.

**Hotels & Accommodations:** The hotels listed in this brochure are intended to be used on all departures; however, if a change becomes necessary for any reason, including alternate hotels for additional departures on the same date, or hotel location changes within or outside itinerary cities, the hotel substituted will be equivalent or higher to those shown. No refunds are provided for hotel changes; full cancellation penalties as noted above apply.

Every effort is made to reserve only twin-bedded rooms. Occasionally, some hotels will only provide double-bedded rooms. These rooms will be allocated to couples. Please note that check-in times vary worldwide; Globus cannot control or guarantee check-in times.

**Baggage Allowance:** Portage for one suitcase is included in the vacation price. Airport/train station portage is not included unless otherwise specified in your travel documents. Please be prepared to carry your own suitcase on and off airplanes and trains and through airports and train stations.

Your single bag should have dimensions not exceeding 30"x21"x11" and weight not exceeding 50lbs (22kg). Due to limited capacity on safari vehicles and flights when on safari, your single bag must be soft-sided and cannot exceed 33 lbs (15kg) for vacations in Kenya & Tanzania or 44 lbs (20 kg including hand luggage) in Botswana or Zambia. Due to limited motorcoach capacity on South Africa vacations, your single bag should have dimensions not exceeding 30"x21"x11" and weight not exceeding 50lbs (22kg) unless otherwise noted in your Travel Documents. We regret that we are unable to accept a second suitcase or any luggage exceeding these limits on any vacation. Some vacations have more restrictive regulations than listed above. Please refer to your Travel Documents for more information.

Air carrier restrictions may vary from the limitations listed above. Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination, and are becoming more restrictive. Most airlines charge fees for checked baggage and these fees are not included in the airfare or the vacation package price. Please check with your airline(s) directly for baggage information, regulations and fees. Globus is not responsible for additional fees imposed by air carriers for baggage. Regulations within most airports require that travelers handle their own luggage through customs. No responsibility is accepted by Globus for loss of or damage to baggage or any of the traveler's belongings throughout the duration of the vacation. Baggage insurance is recommended. See the Globus Web site or back of this brochure for an all-inclusive Travel Protection Plan.

Carry-on bags should not exceed the dimensions of 12"x11"x6". For safety reasons, wheeled carry-on bags are not suitable as hand luggage on motorcoaches and mini-buses. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you on motorcoaches and other transportation.

**Travel Documents:** Passenger Travel Documents, including e-ticket itineraries, are sent by regular ground delivery approximately 2-3 weeks prior to departure, provided full invoice payment has been received. If available, a service charge per reservation is added for documents requested in advance and/or for 2-day delivery. Please indicate at the time of reservation whether you prefer regular ground delivery or 2-day delivery (2-day delivery with related charges is required for reservations made within 45 days of commencement of services and for delivery outside the continental United States; charges will be quoted at time of reservation).

**Not Included in the Vacation Price:** Federal inspection fees for the Federal U.S. Customs and Immigrations; International Air Transportation tax; agricultural tax; other per person taxes imposed by government entities; airport taxes and fees including the September 11th Security fee up to \$10 per person, passenger facility charges up to \$18 per person, Federal domestic flight segment fees up to \$3.70 per segment, and U.S. and International arrival and departure and other government-imposed fees between \$200 - \$600; port taxes; passports; visas and vaccinations; tips to your Tour or Cruise Director, Local Host, driver, Local Guides, and/or ship's crew; gratuities on ferries, trains, and cruise ships; laundry; telephone; minibar; alcohol, beverages, and food outside of the contracted Globus menu as presented at a hotel or restaurant or onboard your vessel (these extra items will be billed to you before leaving the hotel, ship, or restaurant); airport transfers on non-qualifying flights; optional excursions, portage at airports and train stations; Travel Protection; baggage fees; and all other items of a personal nature.

**Refunds:** Please note that any request for refunds is subject to these Terms & Conditions; no refund will be made for unused services of less than 48 consecutive hours, for unused transportation where group activity tickets are involved or for voluntary modifications made by the traveler. Airport transfers are complimentary with air booked through Globus on qualifying flights and dates. Not all flights or dates qualify. Customers not using the included transfer will not be given a cash equivalent or vacation price reduction.

**Service Inquiries after the Vacation:** After returning from your vacation, if you wish to inquire about any services provided, please ensure that all correspondence relating to those services is received by Globus, Traveler Services, Group Voyagers Inc. (see address under "Responsibility").

Any complaint or claim involving the vacation services offered in this brochure must be notified to Globus within 30 days of the vacation completion, except where such time limitations are prohibited by law. As it is difficult and sometimes impossible to properly investigate a complaint if Globus is not advised of such complaint quickly, any compensation you may have been able to claim could be reduced or even forfeited if you do not follow the complaints procedure set out in this clause.

In the event of a problem or complaint involving the negligence of any suppliers, sub-contractors, or agents in relation to any service provided to the vacation participant, Globus must receive the complaint while on vacation or within 30 days of tour completion.

**Holidays:** During local or national holidays or special events, on Sundays, and religious occasions, certain facilities such as museums, churches, restaurants, sightseeing tours, and shopping may be limited or not available. Alternatives will be offered whenever possible. Globus cannot be held responsible for any closures or curtails for any reason.

Christmas Market Vacations: Please note that Christmas markets generally close around the third week of December.

**Safety:** Please be aware that during your participation in vacations operated by Globus, certain risks and dangers may arise beyond our control, including but not limited to: the hazards of traveling in undeveloped areas; travel by boat, train, automobile, aircraft, or other means of transportation; forces of nature; political unrest; acts of lawlessness or terrorism; and accident or illness in remote regions without means of rapid evacuation or medical facilities. Globus will not have liability regarding provision of medical care or the adequacy of any care that may be rendered. While Globus will use its best efforts to ensure that adequate measures are taken, by agreeing to participate in a vacation and/or optional excursions you agree that you will hold Globus harmless regarding any provision of medical care or the adequacy of any care rendered.

**Photographs or Pictures:** Photographs or pictures appearing in this brochure should be used solely as an indication of facilities and attractions. Actual facilities and attractions may vary according to itinerary. Maps shown on the vacation pages are current at the time of printing and may not reflect the actual routing should the itinerary change.

**Optional Excursions & Activities:** Optional activities and excursions ("the Services") available for booking are provided by local operators or other third parties that are entirely independent of Globus and do not form any part of the product or services sold to you by Globus or of these Terms & Conditions, even where Globus suggests particular operators/other third parties and/or assists you in booking such optional activities or excursions. Your contract for such Services will be with the organizer or operator of that Service and will be subject to its Terms & Conditions, which may contain exclusions or limitations of liability. Globus has no liability for any such optional activity or excursion or for any act(s) or omission(s) of the organizer or operator or for any of its employees or agents or any other person(s) connected with the optional activity or excursion.

Any advice or assistance on or with any Service provided by any local representative does not mean or imply that the Service is sold, supervised, or controlled by Globus or that any such advice or assistance is given on behalf of Globus. Vacation participants are asked to check with the operator of any optional activity or excursion and the applicable Terms & Conditions before booking.

**Responsibility:** Group Voyagers, Inc., located at 5301 South Federal Circle, Littleton, Colorado 80123, is an independent company ("the Company") licensed to market and distribute travel products under the Globus brand name, and arrange for the vacation services offered in this brochure, including transportation, sightseeing, and accommodations through independent contracts.

Air carriers, accommodations, and other suppliers (including but not limited to trains, cruises, ferries, motorcoaches, hotels, and restaurants) providing services are independent contractors and are not agents, employees, servants, or joint venturers of the Company or its affiliates. All certificates and other travel documents for services issued by the Company are subject to the Terms & Conditions specified by the supplier, which are available upon request, and to the laws of the countries in which the services are supplied.

The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (vacation participants). Where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail, or road carrier or any stay in a hotel, the Company's maximum liability is the maximum which would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montreal Convention for international travel by air, the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

After departure, if the services included in the vacation cannot be supplied or there are changes in an itinerary for reasons beyond the control of the Company, the Company will arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of vacation participants, and any resulting savings will be refunded by the Company to vacation participants.

The Company reserves the right to accept or reject any person as a vacation participant; to expel any participant from the vacation; to make changes in the itinerary whenever the Company deems it necessary for the comfort, convenience, or safety of the participants; and to cancel a vacation at any time.

The vacation participant agrees that neither the Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier providing services, any insurer or insurance administrator under the Travel Protection Plan, or any other person.

Any dispute between the vacation participant and the Company directly or indirectly relating to the Terms & Conditions shall be first submitted to mediation at Denver, Colorado, before a mediator mutually agreed to by the parties. If mediation is not successful, the dispute must be resolved by binding arbitration under Colorado law before the Judicial Arbitrator Group or its successor located at 1601 Blake Street, Denver, Colorado 80202. The prevailing party shall be entitled to an award of costs and reasonable attorneys' fees. Any action to enforce the arbitrator's decision shall be brought in the state or federal courts in the State of Colorado. Arbitration against the Company must be commenced within one year following the date of vacation completion. Neither the Company nor any affiliate shall in any case be liable for other than compensatory damages, and you hereby waive any right to punitive damages.

No person, other than an authorized representative of the Company by a document in writing, is authorized to vary, add, or waive any term or condition on its Web site, including any term or condition set forth in the preceding provisions.
